Should we move some money from checking to savings? Good idea, go ahead and do that.

Judy Cunningham reminds us that we do need to file for taxes this year. No matter what our income is. It would be a good idea to hire someone to do them for us since it is the first time. Sharon will check into how much the fee would be and what we need to do.

Training Committee: All classes are going fine. CGC should be March 13th. April 3rd would start next session. Manuals need to be put together and get new covers. We saw a smooth registration process with the online registration process. Thank you Janet for taking on the challenge of putting together a line up for classes. From the first evals: Can we see if we can get more mats for the Beginner's ring so that people who are faster –they would have room to pass others. Rally classes suggested that there was something to do during down time

CGC Committee: Carol will need to order more ribbons and supplies
