Training Committee:

Dianna wasn't too prepared. Janet had been talking about opening registration. She has the classes set up and has an over abundance for teachers. Date to start is Sept 10th – Carol will update. Jack: Early Beginner, Carol Manley: Rally, Kim Schwendeman: Late Novice, Sally Ihne: Late Rally. We should have a board meeting to have a better process than getting registration going this early. Dianna has decided to wait till Jan for the Puppy Star class. Carol Manley has left a message with Armory about classes but no reply.

Heather would like to talk about a new CD-Rom on Rally. Can we possibly get for new courses and signs. Heather proposes to buy one or two. Motion to buy Kim Schwendeman, Judy Cunningham – motion passed.

CGC Committee:

We should have a backup for June 11th because of last week's cancellation. We need to find a replacement for Kim and Dianna that won't be here.

Newsletter Committee:

Not much info for next newsletter, please email info. It will go out in June after registration is set

Membership Committee:

New members to be voted in:

Lisa Beimert – Boston Terrier

Julie Guth- Min Schnauzer

Zach Galley & Jaquelyn Long – Bull terriers

Ivanna Buchite – German Shorthair

Dawn Meyer – German Shepherds

Motion to accept as members: Colleen Adrian, Susan 2nd – motion passed

For next month:

Andrea Bischofberger

Deb Leimbek

Debra Steen

Erin Basballe & Sally Gusso

-We had a lot of members that haven't paid membership dues. She is passing out a list of folks. Please note if you are on there and get your dues in.

The board will discuss this - - We need to move registration and membership process so they don't happen at the same time. Problem is that people send in membership and registration at same time – these checks need to go to separate people. We will talk further about this

Banquet Committee: It was decided that we will hold the banquet items at the Picnic.
Keri - Picnic – July 25th. Haven't heard back from Baxter - \$80.25. Check if dogs are allowed.

Old Business:

HART walk May 2nd – successful. Not as many donations as last year. Only a few BKC members attended.

Drill team going well – at least 8 people training. They have a Crow Wing County fair appt – to be announced and will be in the newsletter. Motion to buy bandanas for the dogs - \$5 each: Dianna Anderson, Carol Manley 2nd, motion passed.

New Business:

Janet still hasn't heard anything on the tax exemption. She emailed Judy C. about filing our taxes and Judy will do this after she returns from vacation.

Susan Voss – HART has another fundraiser at Norway Ridge and they are selling raffle tickets for \$10. Prizes are \$9000 Toro, \$1000 shopping Schaefer's, weekend at resort on North shore. There are spots for advertising. Get your pet's pic to HART for a calendar spot – pet of the month – by June 1st.
