CGC – Carol Manley

The next CGC test is scheduled for May 26.

Special Events Coordinator – Heather Baird

*The HART walk will be May 7. Things have changed from previous years. Registration is at 9:30. The walk is at 10. They don't want a demo, but they would like us to have a vendor table. It will be 3 miles instead of 5 miles. They'll contact us if they need anything else. Janet has the tshirts. Heather, Susan Voss, and Cori Wrobel will be walking.

*The Horse and Dog Show was a fiasco on their part. They were very unorganized. Thanks to those people who showed up to demo.

Election of New Members: Cori Wrobel

*Members read for the first time: Kari Dayton, Steven and Christina Loscheider, Trinith Mestuzzi, Jim and Peggy Wills

*Susan Blais Jaspersen was read for the second time. Susan Voss made a motion to accept her membership. Judy Cunningham second. MPC.

Unfinished Business:

*Tracking Seminar at Hunt's Point on May 21 and 22 is now full.

*Upcoming fun matches: St. Paul Dog Training Club on April 23
 Cloud Nine Training School for Dogs in Hopkins on April 16 and 17

New Business:

*Dianna Anderson said that Lakeland now has a therapeutic laser. This helps wounds heal easier and is alternative to pain therapy, particularly for chronic arthritis and other injuries. They're willing to give us a demo that will take about 20 minutes. They'd come to class. Sally will set it up for May.

*Jim Anderson brought up that we have many extra mats that we are not using. They are taking up space, and we haul them back and forth on our carts. Can we get them out of here? We're not sure how many extras there are. We need to be careful where they are stored so they don't get moldy; they can't be stored in basements. Susan Voss will look into it. Dianna Anderson can send an email out.

*Pat Anderson reported that insurance has already been paid.

*Janet Hennies has sent in our tax information.
