President's Report – Sally Ihne

- ❖ CGC testing will be May 31.

- ❖ Summer training – Hunts Points will have them all summer. Maybe BKC can do it next summer. Remember that you can rent the ring at HP for \$10 per hour. Agility equipment is inside.
- ❖ The Petrikat award will be hung at HP for all to see.
- ❖ AKC events for the summer were discussed.

Treasurer's Report – Susan Voss

As of April 30, 2012:

Checking:	\$3381.35
Savings:	\$6192.10
CD #1:	\$18,673.84
CD #2:	\$18,673.84

HART was very happy with our team. BKC donated \$200 to the HART walk since there were about 20 walkers from our club. We won a pizza party. Maybe it should be used after Community Day if the mall has it. Otherwise we'll set up a party.

Susan is looking for a new phone with Karen.

Committee Reports: none

Election of new members:

Mary Freeman was read for the second time. Pat Cunningham made a motion to approve. Susan Voss 2nd. MPC

Unfinished Business:

- ❖ CWC 4H wants all of the mats and jumps. They'll move them whenever a time is set.

New Business:

- ❖ Picnic and fun match combo: July 28 at Hunts Point; We'll do a match from 12 – 3ish with a picnic to follow. We could pair up with Marsh & Meadows. We should keep it

relatively small and simple. We just need a recent fun match for AKC. Colleen Adrian made a motion to approve. Sally Gusso 2nd. MPC.

- A meeting will be set to set things up.
 - We need to check on ribbon count (either Carol, sally, Janet, or Dianna may know where the ribbons are).
 - We should invite agility participants.
- ❖ Colleen is working on new brochures. If anyone has pictures they own, send them to her. Have Dianna send out an email to let people know we're looking for current pictures.

Drawings – Amy Nelson – not present

The next meeting will be held on September 13 at Hunts Point.

President Sally adjourned the meeting at 7:55.

Respectfully submitted,
